BUILDING SKILLS. CREATING FUTURES

RBMI Group of Institutions is a leading group of educational institutions in North India, committed to delivering quality professional education with a strong focus on academic excellence, skill development, and career readiness. With over 30 years of experience, RBMI serves the nation through its campuses in Bareilly and Greater Noida, offering undergraduate and postgraduate programs across diverse disciplines. The institution fosters a student-centric learning ecosystem.

Our Focus Areas

Learning by Doing

- Continuous assessment, tutorials, and case-based learning
- Problem-solving assignments and live industry projects
- Orientation programs and bridge courses
- Internships, skill-based training, and structured mentoring

Placement through Skill Training

- **100+ Corporate Partners** engaged in training and placements
- Industry-aligned skill development initiatives
- Career guidance and employability enhancement programs

Our Commitment

We are committed to nurturing not just Careers, but Character. Our philosophy is built around four Core values:

- **Curiosity** – Encouraging inquiry, innovation, and a lifelong passion for learning
- **Ambition** – Inspiring students to set high goals and pursue excellence with determination
- **Courage** – Empowering learners to think independently, take initiative, and embrace challenges
- **Community** – Fostering collaboration, inclusivity, ethical values, and social responsibility

These values guide our teaching, mentoring, and campus culture, shaping students into confident, responsible, and future-ready professionals.

Industry Recognition

We have been recognised for excellence in education by leading industry bodies, including:

CII – Confederation of Indian Industry, FICCI – Federation of Indian Chambers of Commerce & Industry.

Our Promise

Backed by strong industry collaborations, an extensive alumni network, and a proven placement track record,

We continue to shape skilled, ethical, and future-ready professionals prepared to lead in a dynamic global environment for last **30+ years**.
